

**SIFORE TECHNICAL SALES CANADA – <http://www.sifore.com>
LINE CARD – NOVEMBER 2016**

MANUFACTURER	PRODUCTS	MANUFACTURER	PRODUCTS
	Higher Performance & lower power PLD Solutions for the Consumer Segment, Power Mgmt & sequencing, Clocks		1.9"-17.5" TFT Displays, Graphic Displays, Character Displays, Touch Solutions.
	Innovative Power Management Solutions, High Performance Analog Products, Broadest line-up of UART & Serial Protocol Transceiver Solutions. Networking - security & data compression ICs and cards.		Desktop, Laptop, Workstation Graphic Cards; Laptop, Tablet, Desktop, Server Processors, ARM64 & X86, Discrete GPUs
	Leader in 1G, 10G, 40G+ Ethernet Controllers and NICs. Full offload for TCP, UDP, iSCSI, iWARP RDMA and Fibre Channel over Ethernet..		Optoelectronics, LEDs ultrabright, infrared, SMD, through-hole, light strips, SMD displays, LED displays, light bars
	Embedded SSDs and Industrial Memory Solutions, HyperVault Memory – JDLA w/Samsung		SSDs, HDDs, eMMC, NAND Solutions, Analog & Peripheral ICs, Battery Charger ICs, Custom SOC/ASIC, Diodes, Imaging Solns, Linear ICs, Logic ICs, Microcontrollers, MOSFETs, Motor Drivers, Mobile ICs, Wireless – WiFi, Bluetooth, NFC, Charging
	Battery solutions, rechargeable lithium-ion batteries, battery management systems, Lithium-Ion Cells
