

**SIFORE TECHNICAL SALES – <http://www.sifore.com>
LINE CARD – NOVEMBER 2016**

MANUFACTURER	PRODUCTS	MANUFACTURER	PRODUCTS
	Fans, Fan Trays, EMI Filters, Telecom & Networking Magnetics, ICMs, Inductors, VCOs, GPS, Bluetooth, ZigBee, WiFi		Power Supplies – DC-DC, AC-DC, Front End Rectifiers, Complete Solutions for Distributed Power 3W-5KW.
	1.9"-17.5" TFT Displays, Graphic Displays, Character Displays, Touch Solutions, MIP		Desktop, Laptop, Workstation Graphic Cards; Laptop, Tablet, Desktop, Server Processors, ARM64 & X86, Discrete GPUs
	Power Management Solutions, High Performance Analog Products, Broadest line-up of UART & Serial Protocol Transceiver Solutions. Networking - security & data compression ICs and cards, Force Sensors		SSDs, HDDs, eMMC, NAND Solutions, Analog & Peripheral ICs, Battery Charger ICs, Custom SOC/ASIC, Diodes, Imaging Solns, Linear ICs, Logic ICs, Microcontrollers, MOSFETs, Motor Drivers, Mobile ICs, Wireless – WiFi, Bluetooth, NFC, Charging
	PLD Solutions, Power Mgmt & sequencing, Clocks, Video Connectivity – HDMI, MHL, USB, Wireless HD		Embedded SSDs and Industrial Memory Solutions, HyperVault Memory – JDLA w/Samsung
	Sample making and test lab for lithium ion batteries. Accelerate commercialization of new technologies		Leader in 1G, 10G, 40G+ Ethernet Controllers and NICs. Full offload for TCP, UDP, iSCSI, iWARP RDMA and Fibre Channel over Ethernet.
	Ultra small, high efficiency power supplies, Medical grade supplies		Optoelectronics, LEDs ultrabright, infrared, SMD, through-hole, light strips, SMD displays, LEDs, light bars
	Battery solutions, rechargeable lithium-ion cells, batteries, battery management systems		EMI and Thermal Mgmt, On board shielding, Material – Jelly, Pads, Gasket Technology (FIP), Metallization of Plastics PVD, Custom Thermal Solutions, heatpipes, heatsinks
